BENEFIT FOR THE BUSINESS

- **Promotion:** Customers will be intrigued to try BANKA at your establishment.
- **Time-Efficient:** Simplify hookah preparation. Just cut the fruits, place them inside and you're done. It's that easy.
- **Optimal Performance:** Spend less time for hookah maintenance. The BANKA maintains an optimal temperature, ensuring the shisha doesn't overheat and consistently delivers the best flavor.
- **Cost-Effective:** Use smaller amounts of **fruits** and **fillers** without compromising on taste, allowing you to make more hookahs with fewer resources. Save up to 2-4 times on charcoal compared to usual fruit hookahs.
